Athlete - Sport Selection Policy and Standards

The information in this Selection Policy is accurate as at March 2021 but remains subject to change. As a result of the unique and extenuating circumstances caused by COVID-19 and the subsequent impact on international sporting calendars, CGS and **basketballscotland** will be closely monitoring this Selection Policy to determine if any changes are necessary.

For the avoidance of doubt, CGS reserves the right to amend this Selection Policy in any manner, and in the sole and absolute discretion of CGS, should CGS consider that qualification process would be fairer having regard to the interests of all Athletes and the prevailing circumstances.

In addition CGS and **basketballscotland** reserve the right to not apply any aspect of this Selection Policy when making any decision, if in the sole and absolute discretion of CGS, it would, as judged by CGS, be unfair or unreasonable not to, provided always that CGS has regard to the interests of all Athletes in the prevailing circumstances.

Introduction

- 1 This selection policy has been agreed by **basketballscotland** and Commonwealth Games Scotland (CGS). It provides detail on the process by which **basketballscotland** will arrive at athlete nominations, which will be submitted to CGS for consideration, for final selection to Team Scotland for Birmingham 2022.

Achievement, by an athlete, of individual selection standards, detailed in this document, is therefore the 1st step by which nomination can be considered. The final decision in selection to the 2022 Games lies with CGS

- 2 **basketballscotland** will nominate only those athletes that have qualified under both the Basketball Specific Selection Standards stated below, and the CGS General Selection Policy (available on the CGS website) that should be read in conjunction with these standards.
- 3 Entry numbers per event and the overall number of athletes are in accordance with Commonwealth Games Federation (CGF) allocation and should more athletes achieve the standards then **basketballscotland** will prioritise in accordance with this policy.

Team Scotland General Selection Policy Aim

- 4 Scotland selects a team that performs with distinction in 2022:
 - having a higher percentage of athletes meeting the selection standards when in competition at these Games than in 2018
 - meeting the stated performance aims of each sport at the Games
 - with all Team members having a positive experience within Team Scotland at the Games.
- 5 This Basketball policy is consistent with the aim.

Athlete Eligibility

- 6 The eligibility criteria of the CGF Constitution and Byelaws, must be met by all nominees, see Appendix 1.
- 7 Where prospective team members do not automatically comply with the above, they will only be nominated for final selection if they receive prior approval from the CGF under their guidelines.

Games Competition Format

- 8.1 Both Men's & Women's competitions will consist of 8 teams
- 8.2 Teams will consist of 4 players, with 3 on court at any one time
- 8.3 Games will be played on a half court with one hoop
- 8.4 Games will last a maximum of 10 minutes or first to 21 points, with a 12 second shot clock
- 8.5 If game tied at end of regulation time, the first team to score 2 points in overtime wins the game

Sport Specific Selection Standards and Framework

- 9 Competing in the Games is subject to CGS receiving an invite from the CGF to compete in the Games. In order to receive an invite for both the Men's and Women's competitions, FIBA/CGF will determine the CGAs to participate based on the following:
 - 9.1 **Host CGA (1 Team):** The Host CGA shall be issued with one (1) automatic qualification slot per medal event.
 - 9.2 **Regional CGA (6 Teams):** The highest placed CGA nation from each of the CGF Regions on the FIBA 3x3 Federation Ranking List (men and women) as at 01 November 2021.

For the avoidance of doubt, should GBR qualify as the highest placed CGA from Europe, then a qualification tournament will be held to determine the CGA to earn qualification
 - 9.3 **Direct Qualification (1 Team):** The highest placed CGA nation on the FIBA 3x3 Federation Ranking List (men and women) as at 01 November 2021 not otherwise qualified.

For the avoidance of doubt, should GBR qualify as the highest placed CGA from Europe, then a qualification tournament will be held to determine the CGA to earn qualification for each medal event.
 - 9.4 In order for the teams to gain selection to Team Scotland it is necessary to evidence performances showing the potential to place in the top six at the Games. An initial invitation to compete from the CGF merits evidence of the ability of a Top 6 finish (Eight Team competition)

9.5 Team composition will be determined by ***basketballscotland*** on the basis that the athletes selected are the best players, with the Commonwealth Games taking precedence over club or other international commitments.

9.6 ***basketballscotland*** nominations will only be selected by CGS where it is clear that performance at the Games has been made a competitive priority during the selection period (1 March 2021 to 31 January 2022) and their preparation programmes are directed at the best possible performance.

9.7 **Fitness Standards:** The Head Coach will make available the minimum fitness assessment standards prior to the start of the nomination period.

9.8 **Squad Size:**

- i) ***basketballscotland*** will nominate 4 players in line with CGF allocation and four named reserves for each team by 15 May 2022.
- ii) Two players from the four reserves will be named by ***basketballscotland*** as travelling reserves and will attend all camps up to the entry to the Games village. This is subject to finance being available from ***basketballscotland*** to take an additional two travelling reserves.
- iii) Final team players will be selected by CGS by 30 May 2022

9.9 **Form and Fitness Issues, prior to nomination:**

- i) Any player ill or injured prior to competing in any tournament leading up to the Games will undergo assessments to determine their ability to compete.
- ii) The assessments will be carried out by one or more of the following: a doctor; physiotherapist; S&C coach; and Head Coach and will include physical tests.
- iii) The physical tests will be agreed with the player and will include but not limited to: sprints; acceleration and deceleration; turning; basketball specific skills tasks and if required an aerobic component.
- iv) The final decision to compete will rest with the Head Coach and Head of Performance in consultation with the medical staff and other support staff.
- v) Any selection or de-selection decision, following such a test, will be final.

9.10 **Player Characteristics**

Player characteristics are as set out in the ***basketballscotland's*** performance criteria (Appendix 2).

Selection Process

- 10 All nominated athletes must have completed the required Anti-doping education.
- 11 ***basketballscotland*** will submit their final nominations to CGS by 15 May 2022. CGS will confirm final selections by 30 May 2022.
- 12 Final selection to the Games team is dependent on provision of relevant information required by CGS such as completion and signing of the CGF Eligibility form and CGS Team Member Agreement.

De-Selection

13 Antidoping

Athletes suspended by their Governing Body as a result of ongoing or concluded anti-doping violation allegations, will not be considered for selection, and if previously selected will be deselected from the Birmingham2022 team.

14 Injury Management

Where injury issues are identified at or after selection, a fitness test may be used to determine that the athlete is capable of performing to the level that they were selected for the Games. The format will be determined by CGS after discussion with the Basketball Team Management. This will be specific to basketball and the athlete's condition and may include input from CGS medical staff. Any selection or de-selection decision, following such a test, will be made by CGS after discussion with the Basketball Team Management and will be final

15 Athletes in breach of CGS policies, code of conduct and team agreement may be de-selected

Appeal Process

16 An appeal against non-nomination to CGS by **basketballscotland** is entirely a matter for the athlete and **basketballscotland**. This should be held in accordance with **basketballscotland's** own appeal procedures but taking into consideration only the CGS selection policy and agreed sport specific selections standards and conditions.

17 Any player not nominated to the team has the right to meet with the Head Coach and the Head of Performance to seek further clarification on their non-nomination to the team of players. The player must request this meeting by 2 May 2022. After this meeting, a player may appeal in writing to **basketballscotland** and that appeal must arrive at the **basketballscotland** offices within 2 days of the aforementioned meeting taking place, but no later than 9 May 2022. The CEO of **basketballscotland** will convene a meeting in line with **basketballscotland** policy and procedures, and within three days of receipt of the appeal. The player will be notified of the decision of the appeals panel and the decision of the panel is final.

18 An appeal against CGS non-selection on behalf of an athlete may only be submitted by **basketballscotland** and not by any individual athlete. If an appeal is submitted to CGS by **basketballscotland**, a CGS Appeal Panel will consider the case along with any additional information provided. The appeal must be made by email to jon.doig@teamsotland.scot within 3 days of notification of selection outcomes to **basketballscotland** by CGS.

Appointment of Team Staff

19 A Team Manager was appointed by CGS in consultation with **basketballscotland** by December 2020. The final complement of Basketball team staff attending the Games will ultimately depend upon team numbers and composition and will be determined by CGS in consultation with **basketballscotland**. This will include different categories of accreditation and access to the Games Village and other secure areas.
