UPDATE TO CLUB GUIDANCE: 19th July 2021

Please note this guidance is valid from Monday 19th July 2021 or until otherwise updated.

For the local authorities in Protection Level 0, this period permits the return of indoor contact group basketball for those aged 18 years and over.

For the local authorities in Protection Level 0:

- For all ages groups, an outdoor and indoor sporting 'field of play bubble' has no limits.
- For all ages groups, at Level 0, the total daily limit is 1000 participants, including coaches.
- All ages groups can take part in outdoor and indoor organised contact basketball.
- All ages groups can take part in outdoor and indoor organised contact basketball out-with their usual club environment.
- Alongside any facility restrictions, clubs should risk assess participant numbers considering the space available and coaching ratios.
- Should clubs wish to deliver Club vs. Club games, guidance (section 7) now applies.
- Physical distancing is reduced from 2m to 1m.

Coaches numbers must be included within the sporting 'field of play bubble' and Indoor activity numbers will be determined by any facility provider restrictions and the club risk assessment.

Should clubs wish to deliver basketball all "Core Guidance" (see below) applies. In addition, there is specific guidance depending if the basketball session is for U18 or 18 years and over (below).

We ask clubs to consider player welfare in taking decisions on where to restart club sessions at this time, taking into account the risk of the virus spreading, weather and court conditions. We are asking all clubs to act responsibly, to protect players and coaches.

GUIDANCE FOR CLUBS AND COACHES

These guidelines are for **basketball**scotland Registered Clubs and Coaches wishing to deliver coaching sessions under the Scottish Government's COVID Protection Level System.

The guidelines will apply from Monday 19th July 2021 and will be reviewed and updated regularly in line with changes to the restrictions.

1. INTRODUCTION

basketballscotland have developed these guidelines for coaching and club activity based upon the Scottish Government's Protection Level system to support clubs to deliver basketball activity in a way that is aligned to the Scottish Government's advice and help prevent the spread of COVID-19.

The document provides guidance for activity and checklists that should be completed before each and every session.

The guidance is based on the five Protection Level's detailed by the Scottish Government and should be applied in line with the Protection Level specified for the specific Local Authority at the time of the session.

Details of which Protection Level applies for your Local Authority can be found here:

<https://www.gov.scot/publications/coronavirus-covid-19-protection-levels/pages/protection-levels-by-area/>

While courts and facilities will be permitted to open in the lower protection levels, Clubs and participants should be aware that not all courts will be able to open immediately and not all facilities will be accessible for clubs to book.

As facilities reopen, they are likely to have their own local restrictions and guidance in place, this should be followed at all times. It is also the responsibility of the club and participants to assess risks based on their local environment.

These guidelines should be read in conjunction with any updated Scottish Government guidance on health, physical distancing and hygiene. Clubs, coaches and participants should be aware of and be ready to adapt to changes in guidance at short notice. Information on Scottish Governments approach to managing COVID-19 is available at [Scottish Government: Coronavirus in Scotland Guidance](#).

To manage a safe return to sport and leisure activities it is a mandatory requirement that all clubs, facility operators and deliverers put in place comprehensive Test & Protect procedures to help break chains of transmission of Coronavirus (COVID-19). Further information is available within this guidance and on the [Scottish Government website](#).

People who are symptomatic should self-isolate for 10 days and household members for 10 days as per NHS guidance. No one who is self-isolating should attend any basketball activity.

IMPORTANT: Do not leave your home to undertake exercise or outdoor activity if Scottish Government advice means you should stay at home because you or someone you live with has or has had symptoms of COVID-19.

2. ACTIVITY PERMITTED AT EACH PROTECTION LEVEL

The following is a summary of the Activity permitted at each Protection Level of the tiered system.

Please check which Protection Level applies to your local authority here:
