

CASE STUDY

Lothian Basketball Association in Partnership with YesRef

Leaving you with more time for the sports you love

LOTHIAN BASKETBALL ASSOCIATION

Lothian Basketball Association is a top flight basketball league based in Edinburgh, Scotland. They wanted to simplify the process of paying referees on the day with a seamless approach. YesRef was chosen due to our flexibility and real-time payments. Lothian Basketball Association has been working with YesRef since September 2021 to ensure seamless payments to sports officials across multiple games.

SOLUTIONS

YesRef presented Lothian Basketball Association with a simple solution to make finding and paying sports officials easier and quicker than ever before, through our user-friendly desktop and mobile app. The association simply adds game details for appropriately qualified sports officials to view and apply for. YesRef takes one simple payment from the association and handles paying all sports officials, meaning less admin and paperwork. YesRef also provides downloadable invoices and receipts to conveniently keep track of spending.

CHANGING THE GAME

Why YesRef?

YesRef is committed to improving user experience. By being responsive to customer feedback, we have improved our payment options to allow multi-user access within an organisation to facilitate seamless payments.

We've also expanded our offering to include more and more sports, always ensuring sports officials have relevant and up to date qualifications and safeguarding certificates required for specific games.

AT A GLANCE

- Find - Simply upload your game to our #LiveGamesList
- Pay - Seamless payment, removing admin and paperwork
- Receipts and Invoices produced to keep track of spending
- Sports Officials across 13 different sports
- From just £2 per game

"YesRef has streamlined our appointments and payments process really well."
